Features live

6
Capability areas

2
Countries served

01

Booking & Shipment Management

A shipment goes out without a phone call or an office visit.

Online booking form

Book from any device, any hour.

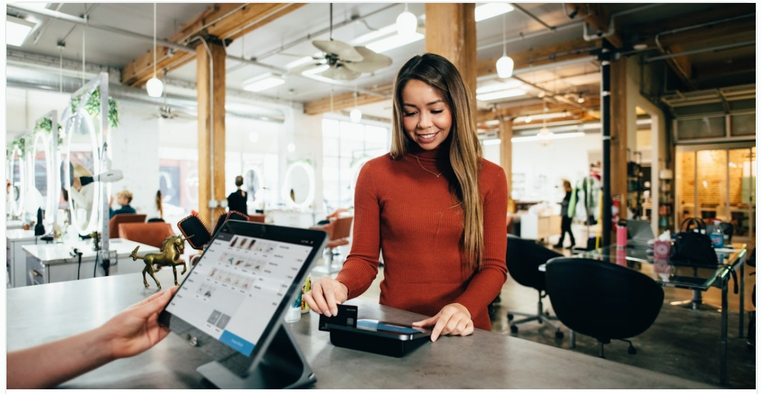

Instant quote

Exact price in seconds — no surprises.

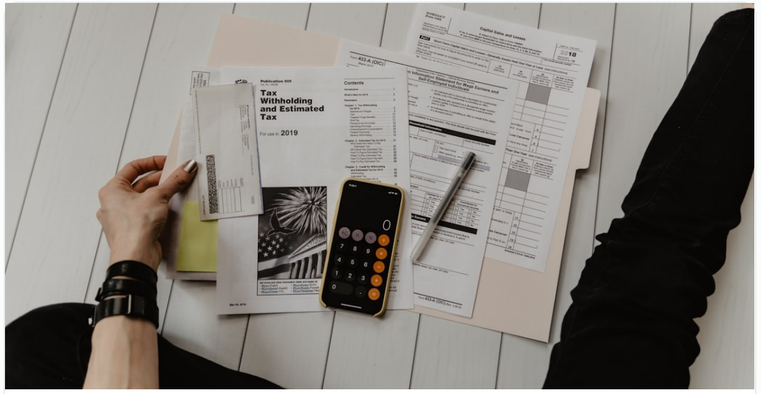

Photos & handling notes

Fragile or cold-storage — we see it before we lift it.

Doorstep pickup slots

Pick a date and time from the calendar.

Drafts saved automatically

Stop mid-booking, continue later.

Zero phone calls to get a parcel moving.

02

Pricing & Rate Management

Every charge calculated, itemised and shown before booking.

Smart pricing calculator

Weight, size, distance, express or standard.

Surcharges, itemised

Fuel, customs, holiday, special handling.

Tax done for you

10% GST Australia · 15% VAT Bangladesh.

Pay in AUD or BDT

Live conversion, each side sees its own currency.

Volume & contract rates

Ship more, pay less per package.

No hidden fees. The number on screen is the number you pay.

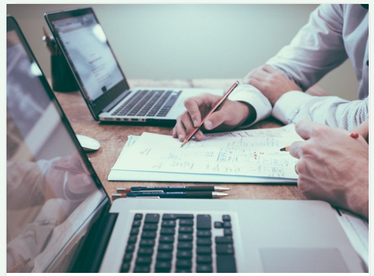

03

Tracking & Real-time Updates

Nobody has to ask “where is my package?” again.

03 THE JOURNEY

Status timeline · Feature 12

01
Booked

02
Picked up

03
In warehouse

04
In transit

05
Customs

06
Delivered

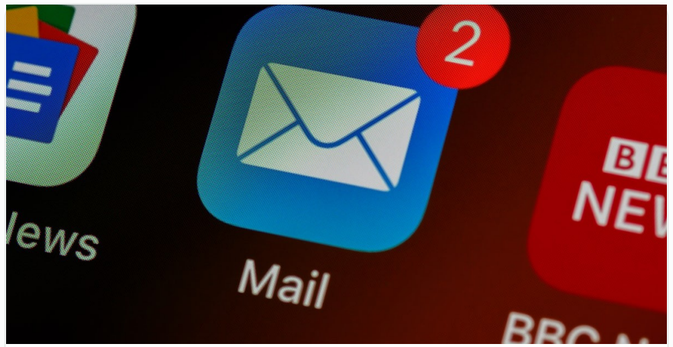

Every step is stamped with date and time and fires a notification automatically

EXPECTED

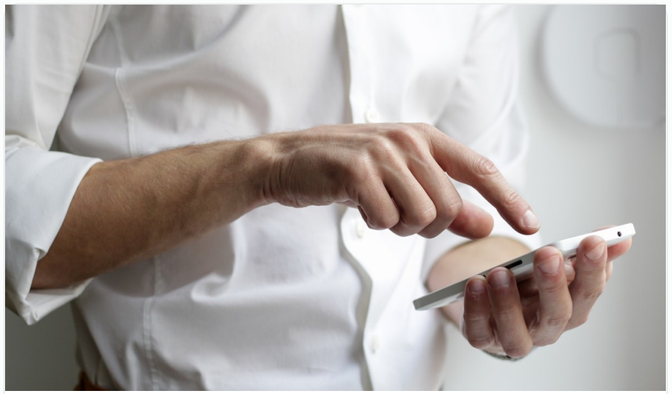

Live GPS tracking

A moving vehicle on a map, refreshed every few minutes.

Automatic alerts

Sent at every milestone — nobody checks manually.

Email · SMS · WhatsApp · App

Each customer picks their channel.

Public tracking page

Recipients need only the tracking number.

Photo proof of delivery

Driver’s photo, time and place, on the record.

04

Documentation & Invoicing

Invoices, labels, waybills and customs forms — generated, not typed.

Invoices on the spot

Costs, surcharges, tax, total — every shipment.

Barcoded labels

Print at home or at the office.

Air waybill number

Recognised by carriers and customs worldwide.

Customs declarations

Both countries’ forms, filled for you.

Searchable invoice history

Download any past invoice as PDF.

Batch label printing

50

labels in one or two clicks — not fifty

05 SERVICE AREAS & COVERAGE
